

Pickens County Extension, 502 Stegall Drive, Jasper, GA 30143 uge1227@uga.edu 706-253-8840.

Hello Gardeners,

January 23, 2017

Pickens County Extension 4-H and Master Gardeners are happy to announce our annual Spring Plant Sale! We hope you have spring gardening on your mind. We continue to have success in obtaining good plants at reasonable prices, thanks to the support of our nursery partners of more than 20 years, and appreciate their support.

This plant sale is the main source of funding for all Pickens 4-H and Master Gardener projects. All the proceeds from the sale go back into the community. We appreciate your support of our youth and our projects. Your support enables our youth to compete at the local and state level in a variety of subjects as well as attend summer camp and participate in community service projects.

When you have made your plant selections, please complete the attached order form and return it to us by **March 10**. You can either mail or bring it to the Extension Office at 502 Stegall Drive, Jasper, GA 30143 (the Chamber of Commerce building). All orders must be accompanied by payment in the form of check, money order or cash. Sorry but we are unable to accept credit or debit cards, by University direction. Contact our office if you need a plant not listed on our order form. We will attempt to fill special orders through our suppliers.

Contact us with questions: 706-253-8840 or e-mail us at uge1227@uga.edu. Visit our website at www.pickensmg.org for plant sale documents and plant information. You are always welcome to come by the office to view the documents as well.

Plant pick-up will be Saturday, April 1, from 8:30 a.m. until noon and Monday April 03, from 5 till 7 p.m. at the red barn behind Jasper Middle School. You will find a map to the barn on the back of this letter. Call us if those dates don't work for you.

Have a great gardening year, and thank you for your continuing support of our programs.
