Hello Gardeners,

January 15, 2018

Pickens County Extension 4-H and Master Gardeners are happy once again to announce our annual Spring Plant Sale! We hope you have spring gardening on your mind. We continue to have success in obtaining good plants at reasonable prices, thanks to the support of our nursery partners of more than 20 years, and appreciate their support.

This plant sale is the main source of funding for all Pickens 4-H and Master Gardener projects. All the proceeds from the sale go back into the community. We appreciate your support of our youth and our projects. Your support enables our youth to compete at the local and state level in a variety of subjects as well as attend summer camp and participate in community service projects.

When you have made your plant selections, please complete the enclosed order form and return it to us by **March 5**. You can either mail or bring it to the Extension Office at 502 Stegall Drive, Jasper, GA 30143 (the Chamber of Commerce building). All orders must be accompanied by payment in the form of check, money order or cash. Sorry, but we are unable to accept credit or debit cards, by University direction. Contact our office if you need a plant not listed on our order form. We will attempt to fill special orders through our suppliers.

Contact us with questions: 706-253-8840 or e-mail us at [uge1227@uga.edu](mailto:uge1227@uga.edu). Visit our website at [www.pickensmg.org](http://www.pickensmg.org) for plant sale documents and plant information. You are always welcome to come by the office to view or pick up the documents as well.

Plant pick-up will be Saturday, March 24, from 8:00 a.m. until noon and Monday March 26, from 5 till 7 p.m. at the barn behind Jasper High School. You will find directions to the barn on the back of this letter. Call us if those dates don't work for you.

Have a great gardening year, and thank you for your continuing support of our programs.
